FEATURES & APPLICATIONS

A high-angle, top-down view of a rectangular swimming pool. The pool is filled with clear water, reflecting the surrounding environment. The pool's interior walls and floor are covered in small, square, light blue mosaic tiles. A wide, light-colored concrete coping runs along the top edge of the pool. The pool is situated on a wooden deck made of horizontal planks. In the upper left corner, a patch of green grass is visible. The lighting is bright, creating sharp reflections on the water's surface.
